**CASE NO. 4:14-cv-00226-YGR (JSC)**

**CLASS ACTION**

**DECLARATION OF JONATHAN  
GARDNER FILED ON BEHALF OF  
LABATON SUCHAROW LLP IN  
SUPPORT OF APPLICATION FOR  
AWARD OF ATTORNEYS' FEES AND  
EXPENSES**

Date: Feb. 27, 2018

Time: 2:00 p.m.

Place: Courtroom 1, 4th Floor

Judge: The Hon. Yvonne Gonzalez Rogers

1 I, JONATHAN GARDNER, declare as follows, pursuant to 28 U.S.C. § 1746:

2  
3 1. I am a member of the law firm of Labaton Sucharow LLP. I am submitting this  
4 declaration in support of my firm's application for an award of attorneys' fees and  
5 expenses/charges ("expenses") in connection with services rendered in the above-entitled action  
6 (the "Action").  
7

8 2. This firm is Court-appointed Class Counsel in the Action and is counsel of record  
9 for Court-appointed Class Representative Arkansas Teacher Retirement System.

10 3. The information in this declaration regarding the firm's time and expenses is  
11 taken from time and expense reports and supporting documentation prepared and/or maintained  
12 by the firm in the ordinary course of business. These reports (and backup documentation where  
13 necessary) were reviewed in connection with the preparation of this declaration. The purpose of  
14 this review was to confirm both the accuracy of the entries in the reports as well as the necessity  
15 for, and reasonableness of, the time and expenses committed to the litigation. As a result of this  
16 review, reductions were made to both time and expenses in the exercise of billing judgment. As  
17 a result of this review and the adjustments made, I believe that the time reflected in the firm's  
18 lodestar calculation and the expenses for which payment is sought as set forth in this declaration  
19 are reasonable in amount and were necessary for the effective and efficient prosecution and  
20 resolution of the litigation. In addition, I believe that the expenses are all of a type that would  
21 normally be charged to a fee-paying client in the private legal marketplace.  
22  
23

24 4. After the reductions referred to above, the number of hours spent on this litigation  
25 by my firm is 29,530.80. A breakdown of the lodestar is provided in Exhibit A. The lodestar  
26 amount for attorney/professional staff time based on the firm's 2017 rates is \$14,556,648.50.  
27 The hourly rates shown in Exhibit A are the usual and customary rates set by the firm for each  
28

1 individual in 2017 or, for individuals who left the firm before 2017, the last year of their  
2 employment.

3 5. Attached as Exhibit B is a task-based summary of the work performed by each  
4 attorney and professional staff member who performed services in this Action.

5 6. My firm seeks payment of \$1,305,476.29 in expenses and charges in connection  
6 with the prosecution of the litigation. These expenses and charges are summarized by category  
7 in Exhibit C. Additional expenses in some of these categories were incurred by the joint  
8 litigation expense fund ("Litigation Expense Fund") maintained by my firm, which is described  
9 below and reported in Exhibit I.

10 7. The following is additional information regarding certain of Labaton Sucharow's  
11 expenses:

12 (a) Filing, Witness and Other Fees: \$1,875.00. These expenses have been  
13 paid to courts in connection with certificates of good standing and *pro hac vice* motions. The  
14 vendors who were paid for these services are set forth in Exhibit D.

15 (b) Work-Related Transportation, Hotels & Meals: \$159,653.84. In  
16 connection with the prosecution of this case, the firm has paid for work-related transportation  
17 expenses, meals, and travel expenses related to, among other things, attending court conferences  
18 and hearings, meeting with witnesses, mediation sessions, and taking or defending depositions.  
19 (Any first-class airfare has been reduced to be comparable to economy rates.) The date,  
20 destination, and purpose of each out-of-town trip are set forth in Exhibit E.

21 (c) Court Hearing and Deposition Reporting: \$465.70. The vendors who were  
22 paid for hearing or deposition transcripts are listed in Exhibit F. Additional deposition reporting  
23 expenses were incurred by Motley Rice LLC and the Litigation Expense Fund, *see* Exhibit I.

1 (d) Experts/Consultants/Investigators: \$5,000.00. The Class Representatives  
2 retained Dr. Scott Thompson to provide expert advice and testimony concerning microprocessor  
3 chip manufacturing, supply, and demand. This expense is a portion of his fees, which was paid  
4 by my firm. The majority of his fees were paid by the Litigation Expense Fund.

5 (e) Duplicating: \$186,036.57. In connection with this case, the firm made  
6 617,731 in-house black and white copies, charging \$0.20 per page for a total of \$123,546.20. In  
7 addition, the firm made 151,595 in-house color copies, charging \$0.40 per page for a total of  
8 \$60,638.00. Each time an in-house copy machine or printer is used, our billing system requires  
9 that a case or administrative billing code be entered and that is how the 769,326 copies were  
10 identified as related to this case. My firm also paid \$1,852.37 to outside vendors, such as FedEx  
11 Office and hotel business centers, in connection with depositions that were held outside of New  
12 York and court hearings. A breakdown of these outside charges by date and vendor is set forth  
13 in Exhibit G.  
14

15 (f) Online Legal and Factual Research: \$57,283.22. The firm conducted  
16 research using databases maintained by vendors such as PACER, Bloomberg BNA, Thomson  
17 Reuters Markets, Thompson West, Westlaw, LexisNexis and LexisNexis Risk Solution. These  
18 databases were used to obtain access to financial information, factual information, and to  
19 conduct legal research. This expense represents the expense incurred by Labaton Sucharow for  
20 use of these services in connection with this litigation. The charges for these vendors vary  
21 depending upon the type of services requested.  
22

23 (g) Litigation Support: \$11,090.43. The majority of the expenses in this  
24 category were paid to an electronic discovery vendor for fees and expenses in connection with  
25 hosting documents produced in the Action by Class Representative ATRS. This category also  
26  
27  
28

1 includes the costs of renting computers and of supplies in connection with depositions held in  
2 Texas and California.

3 8. Information about the identification and background of my firm's partners and of  
4 counsels is attached hereto as Exhibit H.

5 9. My firm was also responsible for maintaining a joint litigation expense fund on  
6 behalf of plaintiffs' counsel (the "Litigation Expense Fund") in order to monitor the major  
7 expenses incurred in the Action and to facilitate their payment. The expenses incurred by the  
8 Litigation Expense Fund are reported in Exhibit I, attached hereto. The Litigation Expense Fund  
9 received contributions totaling \$1,803,630.00, from my firm, Motley Rice LLC, and Bernstein  
10 Liebhard LLP. These contributions are reported on Exhibit C to each firm's individual fee and  
11 expense declaration. The Litigation Expense Fund incurred a total of \$1,860,215.98 in expenses  
12 in connection with the prosecution of the Action, which were paid using the firms' contributions.  
13 Accordingly, there is an unpaid and outstanding balance of \$56,585.98, which has been added to  
14 my firm's expense report so that, upon Court approval, any unpaid expenses can be paid.  
15

16 10. The expenses pertaining to this case are reflected in the books and records of this  
17 firm. These books and records are prepared from receipts, expense vouchers, check records and  
18 other documents and are an accurate record of the expenses.  
19  
20  
21

22 I declare under penalty of perjury that the foregoing is true and correct. Executed this  
23 23rd day of January, 2018, at New York, NY

Along with securing newsworthy recoveries, the Firm has a track record for successfully prosecuting complex cases from discovery to trial to verdict. In court, as *Law360* has noted, our attorneys are known for "fighting defendants tooth and nail." Our appellate experience includes winning appeals that increased settlement value for clients, and securing a landmark 2013 U.S. Supreme Court victory benefitting all investors by reducing barriers to the certification of securities class action cases.

Our Firm is equipped to deliver results with a robust infrastructure of more than 60 full-time attorneys, a dynamic professional staff, and innovative technological resources. Labaton Sucharow attorneys are skilled in every stage of business litigation and have challenged corporations from every sector of the financial markets. Our professional staff includes paralegals, financial analysts, e-discovery specialists, a certified public accountant, a certified fraud examiner, and a forensic accountant. With seven investigators, including former members of federal and state law enforcement, we have one of the largest in-house investigative teams in the securities bar. Managed by a law enforcement veteran who spent 12 years with the FBI, our internal investigative group provides us with information that is often key to the success of our cases.

Outside of the courtroom, the Firm is known for its leadership and participation in investor protection organizations, such as the Council for Institutional Investors, World Federation of Investors, National Association of Shareholder and Consumer Attorneys, as well as serving as a patron of the John L. ## Securities Class Action Litigation

---

Labaton Sucharow is a leader in securities litigation and a trusted advisor to more than 200 institutional investors. Since the passage of the Private Securities Litigation Reform Act of 1995 (PSLRA), the Firm has recovered more than \$9 billion in the aggregate for injured investors through securities class actions prosecuted throughout the United States and against numerous public corporations and other corporate wrongdoers.

These notable recoveries would not be possible without our exhaustive case evaluation process. The Firm has developed a proprietary system for portfolio monitoring and reporting on domestic and international securities litigation, and currently provides these services to more than 160 institutional investors, which manage collective assets of more than \$2 trillion. The Firm's in-house licensed investigators also gather crucial details to support our cases, whereas other firms rely on outside vendors, or conduct no confidential investigation at all.

As a result of our thorough case evaluation process, our securities litigators can focus solely on cases with strong merits. The benefits of our selective approach are reflected in the low dismissal rate of the securities cases we pursue, which is well below the industry average. Over the past decade, we have successfully prosecuted headline-making class actions against AIG, Countrywide, Fannie Mae, and Bear Stearns, among others.

### Notable Successes

Labaton Sucharow has achieved notable successes in financial and securities class actions on behalf of investors, including the following:

- ***In re American International Group, Inc. Securities Litigation, No. 04-cv-8141, (S.D.N.Y.)***

In one of the most complex and challenging securities cases in history, Labaton Sucharow secured more than \$1 billion in recoveries on behalf of lead plaintiff Ohio Public Employees' Retirement System in a case arising from allegations of bid rigging and accounting fraud. To achieve this remarkable recovery, the Firm took over 100 depositions and briefed 22 motions to dismiss. The settlement entailed a \$725 million settlement with American International Group (AIG), \$97.5 million settlement with AIG's auditors, \$115 million settlement with former AIG officers and related defendants, and an additional \$72 million settlement with General Reinsurance Corporation, which was approved by the Second Circuit on September 11, 2013.

- ***In re Countrywide Financial Corp. Securities Litigation, No. 07-cv-05295 (C.D. Cal.)***

Labaton Sucharow, as lead counsel for the New York State Common Retirement Fund and the five New York City public pension funds, sued one of the nation's largest issuers of mortgage loans for credit risk misrepresentations. The Firm's focused investigation and discovery efforts uncovered incriminating evidence that led to a \$624 million settlement for investors. On February 25, 2011, the court granted final approval to the settlement, which is one of the top 20 securities class action settlements in the history of the PSLRA.

- ***In re HealthSouth Corp. Securities Litigation, No. 03-cv-01500 (N.D. Ala.)***

Labaton Sucharow served as co-lead counsel to New Mexico State Investment Council in a case stemming from one of the largest frauds ever perpetrated in the healthcare industry. Recovering \$671 million for the class, the settlement is one of the top 15 securities class action settlements of all time. In

early 2006, lead plaintiffs negotiated a settlement of \$445 million with defendant HealthSouth. On June 12, 2009, the court also granted final approval to a \$109 million settlement with defendant Ernst & Young LLP. In addition, on July 26, 2010, the court granted final approval to a \$117 million partial settlement with the remaining principal defendants in the case, UBS AG, UBS Warburg LLC, Howard Capek, Benjamin Lorello, and William McGahan.

- ***In re Schering-Plough/ENHANCE Securities Litigation, No. 08-cv-00397 (D. N.J.)***

As co-lead counsel, Labaton Sucharow obtained a \$473 million settlement on behalf of co-lead plaintiff Massachusetts Pension Reserves Investment Management Board. After five years of litigation, and three weeks before trial, the settlement was approved on October 1, 2013. This recovery is one of the largest securities fraud class action settlements against a pharmaceutical company. The Special Masters' Report noted, "**the outstanding result achieved for the class is the direct product of outstanding skill and perseverance by Co-Lead Counsel...no one else...could have produced the result here—no government agency or corporate litigant to lead the charge and the Settlement Fund is the product solely of the efforts of Plaintiffs' Counsel.**"

- ***In re Waste Management, Inc. Securities Litigation, No. H-99-2183 (S.D. Tex.)***

In 2002, the court approved an extraordinary settlement that provided for recovery of \$457 million in cash, plus an array of far-reaching corporate governance measures. Labaton Sucharow represented lead plaintiff Connecticut Retirement Plans and Trust Funds. At that time, this settlement was the largest common fund settlement of a securities action achieved in any court within the Fifth Circuit and the third largest achieved in any federal court in the nation. Judge Harmon noted, among other things, that Labaton Sucharow "**obtained an outstanding result by virtue of the quality of the work and vigorous representation of the class.**"

- ***In re General Motors Corp. Securities Litigation, No. 06-cv-1749, (E.D. Mich.)***

As co-lead counsel in a case against automotive giant, General Motors (GM), and Deloitte & Touche LLP (Deloitte), its auditor, Labaton Sucharow obtained a settlement of \$303 million—one of the largest settlements ever secured in the early stages of a securities fraud case. Lead plaintiff Deka Investment GmbH alleged that GM, its officers, and its outside auditor overstated GM's income by billions of dollars, and GM's operating cash flows by tens of billions of dollars, through a series of accounting manipulations. The final settlement, approved on July 21, 2008, consisted of a cash payment of \$277 million by GM and \$26 million in cash from Deloitte.

- ***Arkansas Teacher Retirement System v. State Street Corp., No. 11-cv-10230 (D. Mass)***

Labaton Sucharow served as lead counsel for the plaintiff Arkansas Teacher Retirement System (ATRS) in this securities class action against Boston-based financial services company, State Street Corporation (State Street). On November 2, 2016, the court granted final approval of the \$300 million settlement with State Street. The plaintiffs claimed that State Street, as custodian bank to a number of public pension funds, including ATRS, was responsible for foreign exchange (FX) trading in connection with its clients global trading. Over a period of many years, State Street systematically overcharged those pension fund clients, including Arkansas, for those FX trades.

- ***Wyatt v. El Paso Corp., No. H-02-2717 (S.D. Tex.)***

Labaton Sucharow secured a \$285 million class action settlement against the El Paso Corporation on behalf of co-lead plaintiff, an individual. The case involved a securities fraud stemming from the company's inflated earnings statements, which cost shareholders hundreds of millions of dollars during a four-year span. On March 6, 2007, the court approved the settlement and also commended the

efficiency with which the case had been prosecuted, particularly in light of the complexity of the allegations and the legal issues.

- ***In re Bear Stearns Cos., Inc. Securities, Derivative & ERISA Litigation, No. 08-cv-2793 (S.D.N.Y.)***

Labaton Sucharow served as co-lead counsel, representing lead plaintiff, the State of Michigan Retirement Systems, and the class. The action alleged that Bear Stearns and certain officers and directors made misstatements and omissions in connection with Bear Stearns' financial condition, including losses in the value of its mortgage-backed assets and Bear Stearns' risk profile and liquidity. The action further claimed that Bear Stearns' outside auditor, Deloitte & Touche LLP, made misstatements and omissions in connection with its audits of Bear Stearns' financial statements for fiscal years 2006 and 2007. Our prosecution of this action required us to develop a detailed understanding of the arcane world of packaging and selling subprime mortgages. Our complaint has been called a "tutorial" for plaintiffs and defendants alike in this fast-evolving area. After surviving motions to dismiss, on November 9, 2012, the court granted final approval to settlements with the Bear Stearns defendants for \$275 million and with Deloitte for \$19.9 million.

- ***In re Massey Energy Co. Securities Litigation, No. 10-CV-00689 (S.D. W.Va.)***

As co-lead counsel representing the Commonwealth of Massachusetts Pension Reserves Investment Trust, Labaton Sucharow achieved a \$265 million all-cash settlement in a case arising from one of the most notorious mining disasters in U.S. history. On June 4, 2014, the settlement was reached with Alpha Natural Resources, Massey's parent company. Investors alleged that Massey falsely told investors it had embarked on safety improvement initiatives and presented a new corporate image following a deadly fire at one of its coal mines in 2006. After another devastating explosion which killed 29 miners in 2010, Massey's market capitalization dropped by more than \$3 billion. Judge Irene C. Berger noted that **"Class counsel has done an expert job of representing all of the class members to reach an excellent resolution and maximize recovery for the class."**

- ***Eastwood Enterprises, LLC v. Farha (WellCare Securities Litigation), No. 07-cv-1940 (M.D. Fla.)***

On behalf of The New Mexico State Investment Council and the Public Employees Retirement Association of New Mexico, Labaton Sucharow served as co-lead counsel and negotiated a \$200 million settlement over allegations that WellCare Health Plans, Inc., a Florida-based managed healthcare service provider, disguised its profitability by overcharging state Medicaid programs. Under the terms of the settlement approved by the court on May 4, 2011, WellCare agreed to pay an additional \$25 million in cash if, at any time in the next three years, WellCare was acquired or otherwise experienced a change in control at a share price of \$30 or more after adjustments for dilution or stock splits.

- ***In re Bristol-Myers Squibb Securities Litigation, No. 00-cv-1990 (D.N.J.)***

Labaton Sucharow served as lead counsel representing the lead plaintiff, union-owned LongView Collective Investment Fund of the Amalgamated Bank, against drug company Bristol-Myers Squibb (BMS). Lead plaintiff claimed that the company's press release touting its new blood pressure medication, Vanlev, left out critical information, other results from the clinical trials indicated that Vanlev appeared to have life-threatening side effects. The FDA expressed serious concerns about these side effects, and BMS released a statement that it was withdrawing the drug's FDA application, resulting in the company's stock price falling and losing nearly 30 percent of its value in a single day. After a five year battle, we won relief on two critical fronts. First, we secured a \$185 million recovery for shareholders, and second, we negotiated major reforms to the company's drug development

process that will have a significant impact on consumers and medical professionals across the globe. Due to our advocacy, BMS must now disclose the results of clinical studies on all of its drugs marketed in any country.

- ***In re Fannie Mae 2008 Securities Litigation, No. 08-cv-7831 (S.D.N.Y.)***

As co-lead counsel representing co-lead plaintiff Boston Retirement System, Labaton Sucharow secured a \$170 million settlement on March 3, 2015 with Fannie Mae. Lead plaintiffs alleged that Fannie Mae and certain of its current and former senior officers violated federal securities laws, by making false and misleading statements concerning the company's internal controls and risk management with respect to Alt-A and subprime mortgages. Lead plaintiffs also alleged that defendants made misstatements with respect to Fannie Mae's core capital, deferred tax assets, other-than-temporary losses, and loss reserves. This settlement is a significant feat, particularly following the unfavorable result in a similar case for investors of Fannie Mae's sibling company, Freddie Mac. Labaton Sucharow successfully argued that investors' losses were caused by Fannie Mae's misrepresentations and poor risk management, rather than by the financial crisis.

- ***In re Broadcom Corp. Class Action Litigation, No. 06-cv-05036 (C.D. Cal.)***

Labaton Sucharow served as lead counsel on behalf of lead plaintiff New Mexico State Investment Council in a case stemming from Broadcom Corp.'s \$2.2 billion restatement of its historic financial statements for 1998 - 2005. In August 2010, the court granted final approval of a \$160.5 million settlement with Broadcom and two individual defendants to resolve this matter, the second largest up-front cash settlement ever recovered from a company accused of options backdating. Following a Ninth Circuit ruling confirming that outside auditors are subject to the same pleading standards as all other defendants, the district court denied Broadcom's auditor Ernst & Young's motion to dismiss on the ground of loss causation. This ruling is a major victory for the class and a landmark decision by the court—the first of its kind in a case arising from stock-options backdating. In October 2012, the court approved a \$13 million settlement with Ernst & Young.

- ***In re Satyam Computer Services Ltd. Securities Litigation, No. 09-md-2027 (S.D.N.Y.)***

Satyam, referred to as "India's Enron," engaged in one of the most egregious frauds on record. In a case that rivals the Enron and Bernie Madoff scandals, the Firm represented lead plaintiff UK-based Mineworkers' Pension Scheme, which alleged that Satyam Computer Services Ltd., related entities, its auditors, and certain directors and officers made materially false and misleading statements to the investing public about the company's earnings and assets, artificially inflating the price of Satyam securities. On September 13, 2011, the court granted final approval to a settlement with Satyam of \$125 million and a settlement with the company's auditor, PricewaterhouseCoopers, in the amount of \$25.5 million. Judge Barbara S. Jones commended lead counsel during the final approval hearing noting that the "...quality of representation which I found to be very high..."

- ***In re Mercury Interactive Corp. Securities Litigation, No. 05-cv-3395 (N.D. Cal.)***

Labaton Sucharow served as co-lead counsel on behalf of co-lead plaintiff Steamship Trade Association/International Longshoremen's Association Pension Fund, which alleged Mercury backdated option grants used to compensate employees and officers of the company. Mercury's former CEO, CFO, and General Counsel actively participated in and benefited from the options backdating scheme, which came at the expense of the company's shareholders and the investing public. On September 25, 2008, the court granted final approval of the \$117.5 million settlement.

- ***In re Oppenheimer Champion Fund Securities Fraud Class Actions, No. 09-cv-525 (D. Colo.) and In re Core Bond Fund, No. 09-cv-1186 (D. Colo.)***

Labaton Sucharow served as lead counsel and represented individuals and the proposed class in two related securities class actions brought against OppenheimerFunds, Inc., among others, and certain officers and trustees of two funds—Oppenheimer Core Bond Fund and Oppenheimer Champion Income Fund. The lawsuits alleged that the investment policies followed by the funds resulted in investor losses when the funds suffered drops in net asset value although the funds were presented as safe and conservative investments to consumers. In May 2011, the Firm achieved settlements amounting to \$100 million; \$52.5 million in *In re Oppenheimer Champion Fund Securities Fraud Class Actions*, and a \$47.5 million settlement in *In re Core Bond Fund*.

- ***In re Computer Sciences Corporation Securities Litigation, No. 11-cv-610 (E.D. Va.)***

As lead counsel representing Ontario Teachers' Pension Plan Board, Labaton Sucharow secured a \$97.5 million settlement in this "rocket docket" case involving accounting fraud. The settlement was the third largest all cash recovery in a securities class action in the Fourth Circuit and the second largest all cash recovery in such a case in the Eastern District of Virginia. The plaintiffs alleged that IT consulting and outsourcing company Computer Sciences Corporation (CSC) fraudulently inflated its stock price by misrepresenting and omitting the truth about the state of its most visible contract and the state of its internal controls. In particular, the plaintiffs alleged that CSC assured the market that it was performing on a \$5.4 billion contract with the UK National Health Services when CSC internally knew that it could not deliver on the contract, departed from the terms of the contract, and as a result, was not properly accounting for the contract. Judge T.S. Ellis, III stated, "**I have no doubt—that the work product I saw was always of the highest quality for both sides.**"

## Lead Counsel Appointments in Ongoing Litigation

Labaton Sucharow's institutional investor clients are regularly chosen by federal judges to serve as lead plaintiffs in prominent securities litigations brought under the PSLRA. Dozens of public pension funds and union funds have selected Labaton Sucharow to represent them in federal securities class actions and advise them as securities litigation/investigation counsel. Our recent notable lead and co-lead counsel appointments include the following:

- ***In re Goldman Sachs Group, Inc. Securities Litigation, No. 10-cv-03461 (S.D.N.Y.)***

- ***In re Tempur Sealy International, Inc. Securities Litigation, No. 17-cv-2169 (S.D.N.Y.)***

Labaton Sucharow represents Oklahoma Police Pension and Retirement System in this securities class action against Tempur Sealy, a mattress and bedding-products company.

- ***Plumbers and Steamfitters Local 137 Pension Fund v. American Express Co., No. 15-cv-05999 (S.D.N.Y.)***

Labaton Sucharow represents Pipefitters Union Local 537 Pension Fund in this class action against one of the country's largest credit card lenders to reveal the company's hidden cost of losing its Costco partnership.

- ***In re The Hain Celestial Group Inc. Securities Litigation, No. 16-cv-04581 (E.D.N.Y.)***

Labaton Sucharow represents Rosewood Funeral Home in the securities class action against Hain Celestial Group, Inc., alleging violation of generally accepted accounting practices.

- ***In re Intuitive Surgical Securities Litigation, No. 13-cv-01920 (N.D. Cal.)***

## Innovative Legal Strategy

Bringing successful litigation against corporate behemoths during a time of financial turmoil presents many challenges, but Labaton Sucharow has kept pace with the evolving financial markets and with corporate wrongdoer's novel approaches to committing fraud.

Our Firm's innovative litigation strategies on behalf of clients include the following:

- ***Mortgage-Related Litigation***

In *In re Countrywide Financial Corporation Securities Litigation*, No. 07-cv-5295 (C.D. Cal.), our client's claims involved complex and data-intensive arguments relating to the mortgage securitization process and the market for residential mortgage-backed securities (RMBS) in the United States. To prove that defendants made false and misleading statements concerning Countrywide's business as an issuer of residential mortgages, Labaton Sucharow utilized both in-house and external expert analysis. This included state-of-the-art statistical analysis of loan level data associated with the creditworthiness of individual mortgage loans. The Firm recovered \$624 million on behalf of investors.

Building on its experience in this area, the Firm has pursued claims on behalf of individual purchasers of RMBS against a variety of investment banks for misrepresentations in the offering documents associated with individual RMBS deals.

- ***Options Backdating***

In 2005, Labaton Sucharow took a pioneering role in identifying options-backdating practices as both damaging to investors and susceptible to securities fraud claims, bringing a case, *In re Mercury Interactive Securities Litigation*, No. 05-cv-3395 (N.D. Cal.), that spawned many other plaintiff recoveries.

Leveraging its experience, the Firm went on to secure other significant options backdating settlements, in, for example, *In re Broadcom Corp. Class Action Litigation*, No. 06-cv-5036 (C.D. Cal.), and in *In re Take-Two Interactive Securities Litigation*, No. 06-cv-0803 (S.D.N.Y.). Moreover, in *Take-Two*, Labaton Sucharow was able to prompt the SEC to reverse its initial position and agree to distribute a disgorgement fund to investors, including class members. The SEC had originally planned

---

for the fund to be distributed to the U.S. Treasury. As a result, investors received a very significant percentage of their recoverable damages.

- **Foreign Exchange Transactions Litigation**

The Firm has pursued or is pursuing claims for state pension funds against BNY Mellon and State Street Bank, the two largest custodian banks in the world. For more than a decade, these banks failed to disclose that they were overcharging their custodial clients for foreign exchange transactions. Given the number of individual transactions this practice affected, the damages caused to our clients and the class were significant. Our claims, involving complex statistical analysis, as well as *qui tam* jurisprudence, were filed ahead of major actions by federal and state authorities related to similar allegations commenced in 2011. Our team favorably resolved the BNY Mellon matter in 2012. The case against State Street Bank resulted in a \$300 million recovery.

## Appellate Advocacy and Trial Experience

When it is in the best interest of our clients, Labaton Sucharow repeatedly has demonstrated our willingness and ability to litigate these complex cases all the way to trial, a skill unmatched by many firms in the plaintiffs bar.

Labaton Sucharow is one of the few firms in the plaintiffs securities bar to have prevailed in a case before the U.S. Supreme Court. In *Amgen v. Connecticut Retirement Plans & Trust Funds*, 133 S. Ct. 1184 (Feb. 27, 2013), the Firm persuaded the court to reject efforts to thwart the certification of a class of investors seeking monetary damages in a securities class action. This represents a significant victory for all plaintiffs in securities class actions.

In *In re Real Estate Associates Limited Partnership Litigation*, Labaton Sucharow's advocacy significantly increased the settlement value for shareholders. The defendants were unwilling to settle for an amount the Firm and its clients viewed as fair, which led to a six-week trial. The Firm and co-counsel ultimately obtained a landmark \$184 million jury verdict. The jury supported the plaintiffs' position that the defendants knowingly violated the federal securities laws, and that the general partner had breached his fiduciary duties to shareholders. The \$184 million award was one of the largest jury verdicts returned in any PSLRA action and one in which the class, consisting of 18,000 investors, recovered 100 percent of their damages.

## Commitment to Diversity

---

Recognizing that business does not always offer equal opportunities for advancement and collaboration to women, Labaton Sucharow launched its Women's Networking and Mentoring Initiative in 2007.

Led by Firm partners and co-chairs Serena P. Hallowell and Carol C. Villegas, the Women's Initiative reflects our commitment to the advancement of women professionals. The goal of the Initiative is to bring professional women together to collectively advance women's influence in business. Each event showcases a successful woman role model as a guest speaker. We actively discuss our respective business initiatives and hear the guest speaker's strategies for success. Labaton Sucharow mentors young women inside and outside of the firm and promotes their professional achievements. The Firm also is a member of the National Association of Women Lawyers (NAWL). For more information regarding Labaton Sucharow's Women's Initiative, please visit [www.labaton.com/en/about/women/Womens-Initiative.cfm](http://www.labaton.com/en/about/women/Womens-Initiative.cfm).

Further demonstrating our commitment to diversity in the legal profession and within our Firm, in 2006, we established the Labaton Sucharow Minority Scholarship and Internship. The annual award—a grant and a summer associate position—is presented to a first-year minority student who is enrolled at a metropolitan New York law school and who has demonstrated academic excellence, community commitment, and personal integrity.

Labaton Sucharow has also instituted a diversity internship which brings two Hunter College students to work at the Firm each summer. These interns rotate through various departments, shadowing Firm partners and getting a feel for the inner workings of the Firm.

#### **Lawrence A. Sucharow, Co-Chairman** **[lsucharow@labaton.com](mailto:lsucharow@labaton.com)**

With more than four decades of experience, Co-Chairman Lawrence A. Sucharow is an internationally recognized trial lawyer and a leader of the class action bar. Under his guidance, the Firm has grown into and earned its position as one of the top plaintiffs securities and antitrust class action firms in the world. As Co-Chairman, Larry focuses on counseling the Firm's large institutional clients, developing creative and compelling strategies to advance and protect clients' interests, and the prosecution and resolution of many of the Firm's leading cases.

Over the course of his career, Larry has prosecuted hundreds of cases and the Firm has recovered billions in groundbreaking securities, antitrust, business transaction, product liability, and other class actions. In fact, a landmark case tried in 2002—*In re Real Estate Associates Limited Partnership Litigation*—was the very first securities action successfully tried to a jury verdict following the enactment of the Private Securities Litigation Reform Act (PSLRA). Experience such as this has made Larry uniquely qualified to evaluate and successfully prosecute class actions.

Other representative matters include: *In re CNL Resorts, Inc. Securities Litigation* (\$225 million settlement); *In re Paine Webber Incorporated Limited Partnerships Litigation* (\$200 million settlement); *In re Prudential Securities Incorporated Limited Partnerships Litigation* (\$110 million partial settlement); *In re Prudential Bache Energy Income Partnerships Securities Litigation* (\$91 million settlement) and *Shea v. New York Life Insurance Company* (over \$92 million settlement).

Larry's consumer protection experience includes leading the national litigation against the tobacco companies in *Castano v. American Tobacco Co.*, as well as litigating *In re Imprelis Herbicide Marketing, Sales Practices and Products Liability Litigation*. Currently, he plays a key role in *In re Takata Airbag Products Liability Litigation* and a nationwide consumer class action against Volkswagen Group of America, Inc., arising out of the wide-scale fraud concerning Volkswagen's "Clean Diesel" vehicles. Larry further conceptualized the establishment of two Dutch foundations, or "Stichtingen" to pursue settlement of claims against Volkswagen on behalf of injured car owners and investors in Europe.

In recognition of his career accomplishments and standing in the securities bar at the Bar, Larry was selected by *Law360* as one the 10 Most Admired Securities Attorneys in the United States and as a Titan of the Plaintiffs Bar. Further, he is one of a small handful of plaintiffs' securities lawyers in the United States recognized by *Chambers & Partners USA*, *The Legal 500*, *Benchmark Litigation*, and *Lawdragon 500* for his successes in securities litigation. Referred to as a "legend" by his peers in *Benchmark Litigation*, *Chambers* describes him as an "an immensely respected plaintiff advocate" and a "renowned figure in the securities plaintiff world...[that] has handled some of the most high-profile litigation in this field." According to *The Legal 500*, clients characterize Larry as a "a strong and passionate advocate with a desire to win." In addition, Brooklyn Law School honored Larry with the 2012 Alumni of the Year Award for his notable achievements in the field.

Larry has served a two-year term as President of the National Association of Shareholder and Consumer Attorneys, a membership organization of approximately 100 law firms that practice complex civil litigation including class actions. A longtime supporter of the Federal Bar Council, Larry serves as a trustee of the Federal Bar Council Foundation. He is a member of the Federal Bar Council's Committee on Second Circuit Courts, and the Federal Courts Committee of the New York County Lawyers' Association. He is also a member of the Securities Law Committee of the New Jersey State Bar Association and was the Founding Chairman of the Class Action Committee of the Commercial and Federal Litigation Section of the New York State Bar Association, a position he held from 1988-1994. In addition, Larry serves on the Advocacy Committee of the World Federation of Investors Corporation, a worldwide umbrella organization of national shareholder associations. In May 2013, Larry was elected Vice Chair of the International Financial Litigation Network, a network of law firms from 15 countries seeking international solutions to cross-border financial problems.

Larry is admitted to practice in the States of New York, New Jersey, and Arizona as well as before the Supreme Court of the United States, the United States Court of Appeals for the Second Circuit, and the United States District Courts for the Southern and Eastern Districts of New York, and the District of New Jersey.

**Mark S. Willis, Partner**  
[mwillis@labaton.com](mailto:mwillis@labaton.com)

With nearly three decades of experience, Mark S. Willis' practice focuses on domestic and international securities litigation. Mark advises leading pension funds, investment managers, and other institutional investors from around the world on their legal remedies when impacted by securities fraud and corporate governance breaches. Mark represents clients in U.S. litigation and maintains a significant practice advising clients of their legal rights abroad to pursue securities-related claims.

Mark represents institutions from the United Kingdom, Spain, the Netherlands, Denmark, Germany, Belgium, Canada, Japan, and the United States in a novel lawsuit in Texas against BP plc to salvage claims that were dismissed from the U.S. class action because the claimants' BP shares were purchased abroad (thus running afoul of the Supreme Court's *Morrison* rule that precludes a U.S. legal remedy for such shares). These previously dismissed claims have now been sustained and are being pursued under English law in a Texas federal court.

Mark also represents Caisse de dépôt et placement du Québec, one of Canada's largest institutional investors, in an ongoing U.S. shareholder class action against Liquidity Services, the Utah Retirement Systems in a shareholder action against the DeVry Education Group, and he represented the Arkansas Public Employees Retirement System in a shareholder action against The Bancorp (which settled for \$17.5 million).

In the *Converium* class action, Mark represented a Greek institution in a nearly four-year battle that eventually became the first U.S. class action settled on two continents. This trans-Atlantic result saw part of the \$145 million recovery approved by a federal court in New York, and the rest by the Amsterdam Court of Appeal. The Dutch portion was resolved using the Netherlands then newly enacted Act on Collective Settlement of Mass Claims. In doing so, the Dutch Court issued a landmark decision that substantially broadened its jurisdictional reach, extending jurisdiction for the first time to a scenario in which the claims were not brought under Dutch law, the alleged wrongdoing took place outside the Netherlands, and none of the potentially liable parties were domiciled in the Netherlands.

In the corporate governance arena, Mark has represented both U.S. and overseas investors. In a shareholder derivative action against Abbott Laboratories' directors, he charged the defendants with mismanagement and fiduciary breaches for causing or allowing the company to engage in a 10-year off-label marketing scheme, which had resulted in a \$1.6 billion payment pursuant to a Justice Department investigation—at the time the second largest in history for a pharmaceutical company. In the derivative action, the company agreed to implement sweeping corporate governance reforms, including an extensive compensation clawback provision going beyond the requirements under the Dodd-Frank Act, as well as the restructuring of a board committee and enhancing the role of the Lead Director. In the *Parmalat* case, known as the "Enron of Europe" due to the size and scope of the fraud, Mark represented a group of European institutions and eventually recovered nearly \$100 million and negotiated governance reforms with two large European banks who, as part of the settlement, agreed to endorse their future adherence to key corporate governance principles designed to advance investor protection and to minimize the likelihood of future deceptive transactions. Securing governance reforms from a defendant that was not an issuer was a first at that time in a shareholder fraud class action.

---

Mark has also represented clients in opt-out actions. In one, brought on behalf of the Utah Retirement Systems, Mark negotiated a settlement that was nearly four times more than what its client would have received had it participated in the class action.

On non-U.S. actions Mark has advised clients, and represented their interests as liaison counsel, in more than 30 cases against companies such as Volkswagen, Olympus, the Royal Bank of Scotland, the Lloyds Banking Group, and Petrobras, and in jurisdictions ranging from the UK to Japan to Australia to Brazil to Germany.

Mark has written on corporate, securities, and investor protection issues—often with an international focus—in industry publications such as *International Law News*, *Professional Investor*, *European Lawyer*, and *Investment & Pensions Europe*. He has also authored several chapters in international law treatises on European corporate law and on the listing and subsequent disclosure obligations for issuers listing on European stock exchanges. He also speaks at conferences and at client forums on investor protection through the U.S. federal securities laws, corporate governance measures, and the impact on shareholders of non-U.S. investor remedies.

He is admitted to practice in the State of Massachusetts and the District of Columbia, as well as the U.S. District Court for the District of Columbia.
